VETERANS SERVICE ORGANIZATIONS FUNDRAISING COMMEMORATIVE BRICK PROGRAM

Building the New Iwo Jima Monument- Visit www.ijmmproject.org for exciting details!

Calling All Veterans

The original Iwo Jima Monument, dedicated in 1954 cost \$850,000. That figure in 2020 dollars is roughly \$8 Million dollars. All funds were raised by Marines, the public and Military organizations. Once again, we call all Veterans to action in supporting the new Iwo Jima Monument saluting those who have paid the ultimate sacrifice.

The IJMM Project is providing a Veterans Group Custom 24x24 Commemorative Service Logo Brick fundraising Program for Military Organizations. As depicted on the right, your large service logo and organization identity will be placed on the 2x2 foot brick pads. These pads will be placed on the inner circle facing the monument. Their cost is \$2,500.

To support your groups fundraising efforts, IJMM can provide color postcards or mini-posters that can be given to donors. Similar to the Poppies and Marine Corps League roses. Artwork will consist of reproduction of the famous Iwo Jima 7th War Bond Drive Poster or custom art of the new monument.

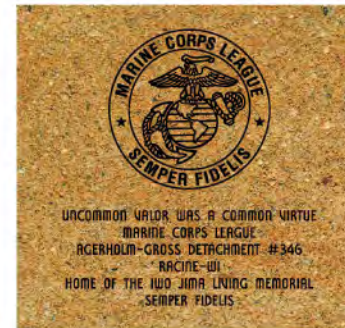

You can print and fill in the below order form and mail in with your check to:

IJMM Project 2635
Four Mile Rd. Box 44331
Racine, WI 53404

Or place your order online at: www.iwojiamemorialmidwest.org/memorial-commemorative-bricks

If you would like the postcard/poster support materials they can be shipped in advance to assist in your fundraising efforts. Contact Project Director, John Capriotti at jcapriotti@ijmmproject.org or 414 331-4757. Your support insures the success of this momentous project that will Build, Preserve and Honor those who have paid the ultimate sacrifice to protect our Freedoms.
